

Preamble for the ULLWA Net

145.350

QST, QST, QST--- This is (your call sign) your acting net control station for this week's session of the Upper Lake Livingston Wireless Association net. The Upper Lake Livingston Wireless Association repeater is a backup for the 147.040 repeater whenever there is an outage to that repeater. My name is (your name).

We call this net each Tuesday evening at 7:45 PM. All Amateurs licensed to operate on this frequency are invited to check in with us this evening. Please do not check in until the previous station has been acknowledged. Following check-ins I will call you back for any comments or information you may have for the net.

I will now standby for any emergency or priority traffic....

When you check-in we ask that you give your call, name and location.

I will now take check-ins from any mobile or handheld stations.

(Comments for the net)

I will now take check-ins from any fixed stations.

(Comments for the net)

I'd like to thank everyone for checking into the net this evening.

This is (your call sign) closing the net and returning the repeater back to normal amateur radio operation.

This is (your call sign) out.
